

## NOTICE OF CLARIFICATION RELATING TO TBAWA 2007 ANNUAL REPORT

It has been drawn to the attention of TBAWA that an item previously published in the TBAWA Annual report for 2007, page 15, could be open to misinterpretation and could subject the TBAWA to legal action. The item was in a Coach report relating to Team training.

Discussions by the TBAWA General Committee resulted in a direction that action is carried out in the following manner:

**Motion 11/07/08 GCM 2:** That a note is put on the TBAWA Website adjacent to where the 2007 WA Rachuig Coach Report is published, with words to provide clarification that:

- a. Brenda and Ken have discussed the matter to mutual satisfaction,
- b. The words in the report were not intended as a criticism of Brenda by Ken,
- c. The way the words were written could be open to misinterpretation, and,
- d. While all reports to Committees are the views of the person reporting, TBAWA has no control and accepts all reports as written.

In addition, the Committee considered the handling of submitted reports and agreed on treatment of reports in the following way:

**Motion 11/07/08 GCM 3:** That verbal and/or written reports of TBAWA Coaches and Managers of WA Teams or others given or tabled at TBAWA Committee meetings:

- a. Are confidential,

- c. May have a brief summary of non-confidential highlights entered in Committee meeting minutes,
- d. Should not be spoken about in their entirety by Committee members outside their Committee,
- e. Should not be broadcast in their entirety in written word in AGM Minutes or Annual Reports, and,
- f. May be noted in any Minute or Annual Report as being tabled.
